(CERTIFICATE)**

POLICYHOLDER	THE TRUSTEE OF THE MILITIA INSURANCE TRUST
POLICY NUMBER	G-14109-7 (the "Policy")
CONTRACT STATE	MISSOURI

NEW YORK LIFE certifies that, as stated on the When Insurance Takes Effect page(s), a person becomes a COVERED PERSON on the INSURANCE DATE stated on the Individual Schedule of Benefits.

Insurance is subject to: (a) any exclusions and limitations of the Policy and all other terms and conditions of the Policy; and (b) New York Life's underwriting requirements.

No Interim Liability New York Life is not liable for requested initial or restored insurance on any person while a request for such insurance is being processed, even if New York Life has accepted a remittance for such requested insurance. New York Life will not be liable for such insurance if the request is not formally approved and will return any such premium remittance.

Renewal Insurance under the Policy will be renewed automatically on each Anniversary Date if its terms and conditions are met. Insurance for an INSURED MEMBER will be renewed automatically on each CONTRIBUTION DATE for an INSURANCE PERIOD if the terms and conditions of the Policy are met.

On all stated days and dates, insurance begins at 12:01 A.M. and insurance ends at midnight at the place the INSURED MEMBER resides.

Highlights and other details of insurance appear in the Individual Schedule of Benefits page(s) and in the State Regulations page(s). These pages are attached to and made a part of the Certificate.

This Certificate replaces all Certificates and Certificate Riders, if any, previously issued to an INSURED MEMBER under the Policy.

Accelerated Death Benefit The Death Benefit will be reduced by 50% if the Accelerated Death Benefit is paid. CONTRIBUTIONS will remain unchanged. New York Life will send the INSURED MEMBER a statement which will specify the effect the payment of the Accelerated Death Benefit will have on the Death Benefit and CONTRIBUTIONS.

Right To Examine The Certificate For 30 Days Except for TRANSFER INSURANCE, the OWNER will have 30 days from the date of receipt to examine the certificate. If the OWNER does not wish to keep the certificate, it must be surrendered to New York Life within this period. Upon such surrender, New York Life will return any premium paid and insurance will be void from the start.

IMPORTANT NOTICE

Certificate The Certificate is a summary of the provisions of the Policy. It should be kept in a safe place. It is not a contract of insurance. Any conflict between the terms of the Certificate and the Policy will be decided in favor of the Policy. A copy of the Policy is available at the Policyholder's office for inspection at any time during business hours. The INSURED MEMBER should contact New York Life with questions regarding insurance.

Errors Errors, or delays in keeping records, will: (a) not revoke insurance otherwise in force; (b) not continue insurance which otherwise would have ended; and (c) upon discovery, require fair adjustment of remittances and/or insurance to correct the error.

Examination New York Life, at its own expense, has the right and opportunity to:

1. have a person, for whom claim is made, examined: (a) physically; (b) psychologically; and/or (c) psychiatrically; to determine the existence and/or cause of any loss, other than loss of life. This right can be used as often as it is reasonably required while a claim is pending;
2. have a claimant's financial records audited, as often as New York Life may reasonably require; and/or
3. in the event of loss of life: (a) reasonably request an autopsy where it is not forbidden by law or religious belief; and/or (b) examine the medical records of the deceased; to determine the cause of the loss.

Incontestability Except for provisions which relate to eligibility for insurance and for nonpayment of CONTRIBUTIONS, New York Life cannot contest the validity of any initial or restored insurance on a COVERED PERSON after it has been in force for two years prior to the contest under the Policy during such COVERED PERSON'S lifetime. To contest, New York Life will only rely upon: (a) written statements signed by the INSURED MEMBER and/or his or her INSURED DEPENDENT in applying for such insurance: (1) under the Policy; and/or (2) under another policy, if such statements are used to allow insurance to take effect under or be transferred to the Policy; and/or (b) the provisions on the When Insurance Takes Effect page(s). A copy of all statements must be furnished to such person or to his or her beneficiary. Such statements are representations, not warranties. The time insured under: (a) the PREVIOUS POLICY for TRANSFER INSURANCE; or (b) a policy being surrendered and replaced; will also be used to determine if the two year contestable period has elapsed.

Misstatements Subject to the Errors and Incontestability sections, if relevant statements of age were not accurate for any person, a fair adjustment of remittances and/or insurance will be made as follows:

1. if the age has been overstated: (a) the amount of remittance will be adjusted to reflect the difference between the remittance applicable at the correct age and the incorrect remittance previously paid; and (b) the Policyholder will refund the amount of any corresponding adjustment, except that: If insurance has been erroneously reduced because such person was thought to have reached a higher age bracket, as stated on the Schedule page(s), the amount of insurance and remittance will be adjusted based on such person's correct age; or
2. if the age has been understated: (a) the amount of insurance will be adjusted downward for any INSURANCE PERIOD, in proportion to the ratio of the charges previously paid for such INSURANCE PERIOD to the prescribed charges at the correct age for such INSURANCE PERIOD; and (b) there will be no adjustment to any remittance previously paid, except that: If insurance was not reduced because such person was thought to have been in a lower age bracket, as stated on the Schedule page(s), the amount of insurance and remittance will be adjusted based on such person's correct age.

IMPORTANT NOTICE

Policy Changes The Policy can be changed: (a) at any time by written agreement between New York Life and the Policyholder; and (b) without the consent of any other person. Changes will be valid only if evidenced by an amendment to the Policy. Such amendment must be signed by the Policyholder and New York Life. The Policy may also be changed by New York Life by amendment to the Policy and without the consent of the Policyholder or any other person, if such amendment is signed by New York Life and: (a) results from the exercise of a right reserved to New York Life in the Policy; (b) is issued to conform to any law and/or regulation which, in New York Life's sole judgment, applies to the insurance under the Policy; or (c) results from the termination or change in an agreement between New York Life and a third party, if such agreement is separate and distinct from the Policy and provided the Policyholder is not a party to such agreement. No agent of New York Life can make or change the Policy or waive any of its provisions.

Termination By The Policyholder The Policyholder may terminate the Policy, on any premium date after the first Anniversary Date, by giving written notice to New York Life at least 90 days in advance.

Termination By New York Life New York Life may terminate the Policy, on any premium date after the first Anniversary Date, by giving written notice to the Policyholder at least 90 days in advance.

WHEN INSURANCE TAKES EFFECT

Requests An APPLICANT can request to:

1. become initially insured for MEMBER INSURANCE or MEMBER INSURANCE and DEPENDENT INSURANCE for each of his or her ELIGIBLE DEPENDENTS, subject to the Options Available section stated on the Schedule page(s); TRANSFER INSURANCE on each APPLICANT or each APPLICANT and each of his or her ELIGIBLE DEPENDENTS will automatically be transferred to the Policy on the TRANSFER DATE, except that: New York Life will not duplicate liability which remains with the carrier of the PREVIOUS POLICY; and/or
2. restore insurance on each former COVERED PERSON for whom insurance ended, if: (a) insurance ended for such person because the CONTRIBUTION was not paid; and (b) the proposed COVERED PERSON is an ELIGIBLE MEMBER or an ELIGIBLE DEPENDENT. If the request is approved, all terms and conditions of the Policy applicable to the person at the time insurance ended will be reinstated, subject to any changes in the Policy.

For Insurance To Take Effect For initial insurance or restoration of insurance to take effect:

1. the APPLICANT must give the Policyholder a completed, written request for the insurance on a form satisfactory to New York Life. For TRANSFER INSURANCE, New York Life will treat a request for insurance submitted to the carrier of the PREVIOUS POLICY as a request for insurance submitted to New York Life. A written request for restoration must be given within six months after the date such CONTRIBUTION was due;
2. the APPLICANT must give New York Life satisfactory medical evidence of insurability, if such evidence is required, for the proposed COVERED PERSON. Such evidence is not required for: (a) TRANSFER INSURANCE; (b) Dependent Life Insurance on an ELIGIBLE CHILD; or (c) the amount of insurance provided to a NEW MEMBER during the INITIAL PERIOD and the election to continue such amount of insurance when the INITIAL PERIOD ends;
3. the APPLICANT must pay the CONTRIBUTION no later than the initial CONTRIBUTION DATE, except that: CONTRIBUTIONS are not required during the INITIAL PERIOD for a NEW MEMBER who becomes insured under the Policy. Any contribution paid under the PREVIOUS POLICY for such insurance, covering the period on or after the INSURANCE DATE, will be applied to insurance under the Policy. For restoration of insurance, all references to the payment of CONTRIBUTION include all unpaid CONTRIBUTIONS from the date insurance ended;
4. the proposed COVERED PERSON must be performing the normal activities of a person in good health of like age on the INSURANCE DATE (the normal activities requirement does not apply to Dependent Life Insurance on an ELIGIBLE CHILD);
5. New York Life must approve the insurance; and
6. for DEPENDENT INSURANCE, the APPLICANT must be an INSURED MEMBER on the INSURED DEPENDENT'S INSURANCE DATE.

WHEN INSURANCE TAKES EFFECT

For Non-Contributory Basic Benefit Insurance to take effect, the SPONSOR must pay the CONTRIBUTION.

Subject to the exception stated below, the effective date of the insurance is the first day of the policy month on or after the day all these requirements are met.

Subsequent Child - If the APPLICANT has DEPENDENT INSURANCE in force for children, any child he or she later acquires will become insured on the day such child first becomes an ELIGIBLE CHILD.

Exception: The INSURANCE DATE for a proposed COVERED PERSON who was not performing the normal activities of a person in good health of like age on the date such insurance would otherwise have taken effect, will take effect on the day the proposed COVERED PERSON is performing such normal activities, if: (a) such day is within three months of the date insurance would otherwise have taken effect; (b) for DEPENDENT INSURANCE, the APPLICANT is an INSURED MEMBER or a SURVIVOR SPOUSE on that day; and (c) the proposed COVERED PERSON is still eligible to obtain the insurance on that day. If these requirements are not satisfied, insurance will not take effect.

No benefits will be paid for any loss or disability occurring before the INSURANCE DATE. Exception: Any claims incurred following the Administrator's receipt of the payroll allotment form and prior to the first initial premium allotment deduction may be considered by New York Life.

When Non-Contributory Basic Benefit Insurance Takes Effect - The \$1,000 Non-Contributory Basic Benefit Insurance automatically takes effect on the ELIGIBLE MEMBER'S enlistment date.

LIFE AND DEPENDENT LIFE INSURANCE

New York Life will pay a benefit for a COVERED PERSON'S: (a) Terminal Illness; or (b) death; in accordance with all of the following:

Accelerated Death Benefit The Accelerated Death Benefit is available to a COVERED PERSON under age 69 who has a Terminal Illness ("Terminal Illness" is a medical condition where the patient has a life expectancy of 12 months or less).

Death Benefit The Death Benefit is the benefit payable for a COVERED PERSON'S death.

For The Benefit To Be Paid

Accelerated Death Benefit For the Accelerated Death Benefit to be paid: (1) the Policyholder must receive a completed, written request for the benefit on a form satisfactory to New York Life; and (2) New York Life must receive satisfactory medical proof, in writing, that the COVERED PERSON has a Terminal Illness.

Death Benefit For the Death Benefit to be paid, New York Life must receive satisfactory proof of the COVERED PERSON'S death.

What Benefit Is Payable The benefit payable is as follows:

Accelerated Death Benefit The Accelerated Death Benefit payable is 50% of the amount of insurance in force on the COVERED PERSON'S life on the date New York Life approves the request for the Accelerated Death Benefit, except that: If a reduction of insurance due to age is scheduled within one year of the date New York Life approves such request, the benefit payable will be 50% of such reduced amount of insurance. The benefit will be paid in a lump sum. The benefit is payable once while the COVERED PERSON is insured under the Policy, whether insurance is continuous or interrupted.

Death Benefit The Death Benefit payable is the amount of insurance in force for the COVERED PERSON on the date of his or her death, less the amount paid on his or her behalf under the Accelerated Death Benefit. A single payment is made. New York Life will pay interest on the Death Benefit from the date of the COVERED PERSON'S death until the date of payment. Interest will be paid at the greater of the annual interest rate declared by New York Life for policy proceeds left with New York Life under Option 1 (Proceeds at Interest) or the minimum required by state law. New York Life will refund any CONTRIBUTION paid beyond the date of the COVERED PERSON'S death.

LIFE AND DEPENDENT LIFE INSURANCE

Beneficiary

Accelerated Death Benefit The Accelerated Death Benefit will be paid to the OWNER, except that: If New York Life has received satisfactory proof of the OWNER'S death before such payment is made, payment will be made in accordance with the Death Benefit subsection of the Beneficiary section.

Death Benefit Except as stated below, the contributory Death Benefit will be paid to the designated beneficiary(ies). However, if at the time of the COVERED PERSON'S death there is no surviving beneficiary for any designated share of the Death Benefit, such share will be paid to the OWNER, if living, otherwise to the executor or administrator of the OWNER'S estate, or at the option of New York Life, to the OWNER'S surviving relative(s) in the following order of survival: lawful married spouse; children equally; parents equally; or brothers and sisters equally. If an insured is covered under the Non-Contributory Basic Benefit only (no Contributory coverage in force) the Non-Contributory benefit will be paid to the primary beneficiary on record with that State National Guard. If there is no beneficiary on record with that State National Guard, the benefit will be paid to the designated beneficiary on record under the Servicemembers Group Life Insurance (SGLI) program through the state national guard headquarters.

In addition, if a beneficiary dies within 15 days after the COVERED PERSON, New York Life will consider such beneficiary to have predeceased such COVERED PERSON, if payment has not already been made.

For MEMBER INSURANCE, the OWNER can designate a beneficiary or change his or her beneficiary designation.

For an INSURED SPOUSE or INSURED CHILD, the automatic beneficiary is the OWNER. However, the OWNER can designate a beneficiary or change his or her beneficiary designation.

One or more beneficiaries can be designated. If more than one beneficiary is designated, they can be classified as Primary Beneficiary ("Primary Beneficiary" is the person(s) named to first receive the proceeds of the insurance), or Contingent Beneficiary ("Contingent Beneficiary" is the person(s) named to receive the proceeds of the insurance if no Primary Beneficiary survives). Each beneficiary's share can be stated. If more than one beneficiary is designated and if their respective interests have not been stated, they will share alike.

Facility Of Payment - New York Life has the right to pay up to \$1,000 of the benefit to anyone who has incurred expenses for the COVERED PERSON'S fatal illness or burial ("payee").

Forfeiture Of Payment - No payment will be made to any person(s) if such person(s) is the principal or an accomplice in willfully bringing about the death of the COVERED PERSON. Payment will be made in accordance with this section as though that person(s) had died before the COVERED PERSON.

Individual Policy - Subject to the Facility Of Payment exception and unless otherwise stated by the OWNER, the benefit will be paid to the OWNER'S beneficiary last recorded under an individual policy, if: (a) application for the individual policy was made under a conversion right; (b) the benefit is not payable under the individual policy; (c) the individual policy, if issued, is surrendered to New York Life; and (d) the benefit is paid under the Policy.

Transfer Of Ownership The OWNER can transfer all or any part of incidents of ownership of the insurance. The Policyholder agrees to accept CONTRIBUTIONS directly from the new OWNER.

Request Procedure To: (a) designate a beneficiary or change a beneficiary designation; and/or (b) transfer ownership; New York Life must be given a completed, written request on a form satisfactory to it. Such request must be approved and recorded by or on behalf of New York Life. After such recording, the request will take effect as of the date it was signed, subject to any payment made or any other action taken by or on behalf of New York Life before the recording. Requests in effect under the PREVIOUS POLICY for TRANSFER INSURANCE will remain in effect under the Policy until changed.

WHEN INSURANCE ENDS

Except as stated on the Continuance page(s), a COVERED PERSON'S insurance will end on the earliest of:

1. for an INSURED MEMBER, the last day of the INSURANCE PERIOD during which the INSURED MEMBER is no longer an active member of the SPONSOR providing the insurance, including a SPONSOR terminating SPONSOR status;
2. the COVERED PERSON'S TERMINATION AGE DATE;
3. with regard to the \$1,000 Non-Contributory Basic Benefit, the last day of the month on or after the day the INSURED MEMBER is no longer an active member of the SPONSOR;
4. the last day of the INITIAL PERIOD if a NEW MEMBER'S first CONTRIBUTION is not paid;
5. the last day of the Grace Period, stated below, that follows the end of the INSURANCE PERIOD for which the last CONTRIBUTION has been paid for the COVERED PERSON.

Grace Period – The COVERED PERSON is entitled to a Grace Period of 180 days for the payment of each CONTRIBUTION. During the Grace Period, the COVERED PERSON'S insurance continues in force. If the CONTRIBUTION due is not paid before the end of the Grace Period, the COVERED PERSON'S insurance automatically ends on the last day of such Grace Period;

6. the day before the day the amount of insurance in force on a COVERED PERSON, less the amount of any Accelerated Death Benefit paid on such COVERED PERSON'S behalf, equals zero or less;
7. for an INSURED DEPENDENT, the date the INSURED MEMBER'S MEMBER INSURANCE ends, except that, the INSURED MEMBER may choose to continue his or her DEPENDENT INSURANCE if such MEMBER INSURANCE ended because payment of the Accelerated Death Benefit reduced the amount of his or her MEMBER INSURANCE to zero or less;
8. for an INSURED SPOUSE, the last day of the INSURANCE PERIOD during which such INSURED SPOUSE ceases to be the lawful married spouse of the INSURED MEMBER;
9. for an INSURED CHILD, the last day of the INSURANCE PERIOD during which such INSURED CHILD: (a) marries; or (b) with respect to a stepchild, is no longer substantially dependent upon the INSURED MEMBER for support, or with respect to a natural child, stepchild, or adopted child, if the INSURED MEMBER is deceased, is no longer substantially dependent upon the family for support;
10. the later of: (a) the date stated in the COVERED PERSON'S written request to end the insurance; or (b) the date New York Life receives the COVERED PERSON'S written request to end the insurance; or
11. the day before the day the Policy ends or is changed to end insurance for the group of insureds to which the COVERED PERSON belongs.

Exception:

An INSURED MEMBER may continue Contributory Coverage for himself or herself and any INSURED DEPENDENT(S), after leaving the National Guard provided CONTRIBUTION is paid when due. Such insurance is subject to a 50% reduction at age 60, age 70 and age 75 with CONTRIBUTIONS remaining the same. The Contributory Coverage will end on the last day of the month in which the INSURED MEMBER attains AGE 100.

CONTINUANCE

Insurance in force on each COVERED PERSON will continue, after the date it would otherwise have ended as stated on the When Insurance Ends page(s), in accordance with all of the following:

Handicapped Child Benefit Insurance in force will continue for an INSURED CHILD who has: (a) reached the TERMINATION AGE DATE; and (b) a Handicap ("Handicap" means a physical or mental disability which: (1) renders the INSURED CHILD incapable of self-sustaining employment; and (2) requires dependency on the INSURED MEMBER for support or, in the event of the INSURED MEMBER'S death, on the family for support); if:

1. New York Life receives satisfactory proof of such Handicap within 31 days after the date such child's insurance would otherwise have ended due to reaching the TERMINATION AGE DATE; and
2. the CONTRIBUTION is paid.

The benefit will end on the earliest of the following:

1. the last day of the INSURANCE PERIOD during which such child is no longer so Handicapped;
2. the date New York Life does not receive the required proof that such child remains Handicapped as required by New York Life but no more frequently than annually; or
3. the date insurance would otherwise end as stated on the When Insurance Ends page(s).

Survivor Dependent Benefit DEPENDENT INSURANCE in force on the day the INSURED MEMBER dies will continue, if:

1. the conversion right available upon the death of the INSURED MEMBER has not been exercised; and
2. the CONTRIBUTION is paid.

The amount of such insurance is subject to the changes at the AGES stated on the Schedule page(s). The SURVIVOR SPOUSE can change the Option in accordance with the applicable provision of the Requests section on the When Insurance Takes Effect page(s).

The benefit will end on the date insurance would otherwise end as stated on the When Insurance Ends page(s).

Termination Of Membership Benefit Insurance in force on the day the INSURED MEMBER'S active membership with the SPONSOR providing the insurance ends, will continue if: (a) the INSURED MEMBER was continuously insured under the Policy for one year when active membership ended; (b) the conversion right available upon termination of membership has not been exercised; and (c) the INSURED MEMBER makes written election to continue his or her insurance as an inactive associate member of the SPONSOR within 31 days after the date insurance would otherwise have ended.

The benefit will end on the date insurance would otherwise end as stated on the When Insurance Ends page(s).

Waiver Of Contribution Benefit Insurance in force on the date the INSURED MEMBER becomes TOTALLY DISABLED will continue without the payment of CONTRIBUTIONS, if:

1. the INSURED MEMBER becomes TOTALLY DISABLED while insured under the Policy and before age 60;
2. New York Life receives satisfactory proof that the INSURED MEMBER has been TOTALLY DISABLED for at least 180 days. Such proof must be received within one year after the date such TOTAL DISABILITY began, except that: If the INSURED MEMBER dies, proof of the uninterrupted existence of TOTAL DISABILITY from the date TOTAL DISABILITY began until the date of death must be received within one year after: (a) TOTAL DISABILITY began, if death occurs before this benefit is approved; or (b) death, if death occurs while this benefit is in effect. If it is not possible to give proof within such period, it must be given as soon as reasonably possible, later than one year from the time proof is otherwise required;
3. all individual policies, converted from this insurance after the date the INSURED MEMBER became TOTALLY DISABLED, except those obtained upon reduction(s) of insurance, are surrendered to New York Life without claim, except for a return of premium paid, less dividends and indebtedness; and
4. New York Life approves the benefit.

CONTINUANCE

The amount of insurance continued under this benefit is subject to the changes at the AGES stated on the Schedule page(s). All or any part of insurance which is reduced can be converted as stated on the Conversion Rights page(s). While the benefit is in effect: (a) this is the only conversion right available; and (b) insurance cannot be increased on the COVERED PERSON.

CONTRIBUTIONS paid for any INSURANCE PERIOD after the date such TOTAL DISABILITY began until such CONTRIBUTIONS are waived will be refunded for up to one year before the date proof of the INSURED MEMBER'S TOTAL DISABILITY was received by New York Life. CONTRIBUTIONS should continue until New York Life approves the benefit.

The benefit will end on the earliest of the date:

1. the INSURED MEMBER is no longer TOTALLY DISABLED;
2. New York Life does not receive the required proof that the INSURED MEMBER remains TOTALLY DISABLED;
3. the INSURED MEMBER does not submit to an examination required by New York Life by a doctor it selects; or
4. the INSURED MEMBER reaches AGE 70.

Insurance in force on the date the benefit ends will continue, except as stated on the When Insurance Ends page(s).

Insurance on an INSURED DEPENDENT will end before the benefit ends, if such dependent: (1) reaches his or her TERMINATION AGE DATE; (2) for an INSURED SPOUSE, ceases to be the lawful married spouse of the INSURED MEMBER; or (3) for an INSURED CHILD: (a) marries; or (b) with respect to a stepchild, is no longer substantially dependent upon the INSURED MEMBER for support; or with respect to a natural child, stepchild, or adopted child, if the INSURED MEMBER is deceased, is no longer substantially dependent upon the family for support.

CONVERSION RIGHTS

A COVERED PERSON can convert insurance that ends or reduces to an individual policy, without giving New York Life medical evidence of insurability, in accordance with all of the following:

When A Conversion Right Is Available A conversion right is available to each COVERED PERSON for whom insurance ends or reduces, if insurance ends or reduces for any reason except: (a) nonpayment of the CONTRIBUTION; (b) the amount of insurance reduces to zero or less as a result of payment of an Accelerated Death Benefit; or (c) the COVERED PERSON requests to end such insurance. However, if insurance ends because the Policy terminates or changes for the group of insureds to which the COVERED PERSON belongs, a conversion right is only available if the COVERED PERSON has been continuously insured under the Policy for at least five years. Time insured under the PREVIOUS POLICY for TRANSFER INSURANCE will also be used to determine if the five year requirement has been met.

Conversion Period Benefit The maximum amount of insurance the COVERED PERSON is eligible to convert will continue without payment of the CONTRIBUTION during the Conversion Period ("Conversion Period" is the 31 day period, immediately after the date insurance would otherwise end or is reduced, during which a COVERED PERSON can exercise a conversion right). If the COVERED PERSON dies during the Conversion Period, the amount of insurance he or she would have been able to convert will be the Death Benefit payable for such COVERED PERSON'S death, whether or not application for the individual policy or the payment of the first premium has been made.

What Amount Can Be Converted The COVERED PERSON can convert all or any part of the insurance that ends or reduces. However, if insurance ends or reduces because the Policy terminates or changes to end insurance for the group of insureds to which the COVERED PERSON belongs, the COVERED PERSON can convert all or any part of the insurance that ends or reduces, less the amount of any replacement insurance which he or she can obtain within the Conversion Period, up to a maximum amount of insurance of \$10,000.

Individual Policy The individual policy requirements are as follows: (a) a completed, written application for the individual policy must be given to New York Life, within the Conversion Period, on a form satisfactory to New York Life; (b) the first premium for the individual policy must be paid within the Conversion Period; (c) the premium for the individual policy will be based upon the applicant's class of risk and age; (d) the individual policy will be on one of the forms currently offered by New York Life, except term insurance, and will be issued without disability or other supplementary benefits; and (e) the individual policy will take effect on the day after the Conversion Period Benefit ends. The individual policy may provide less coverage at a higher premium than that provided for under the group Policy.

Notice Of Conversion Right If a COVERED PERSON has not been given notice of his or her conversion right before the 15th day of the Conversion Period, he or she will have an additional period within which he or she can exercise a conversion right. The additional period will: (a) not extend insurance beyond the end of the 31 day Conversion Period; and (b) end on the earlier of the: (1) 15th day after such COVERED PERSON is given such notice; or (2) 60th day after the end of the 31 day Conversion Period. Written notice presented to the COVERED PERSON or mailed to his or her last known address by New York Life or the Policyholder will be deemed notice.
